USGA CHAMPIONSHIPS List of Conforming Golf Balls (Condition: Rules 33-1 and 5-1)

Effective June 9, 1986

It is a condition of all USGA Championships, including local and sectional qualifying rounds, that only the following brands of golf balls may be used. Use of a brand with other markings substituted for any of the standard markings is prohibited. Penalty for use of a brand not listed is disqualification.

A brand of ball will be removed from this list if, as a result of ongoing testing for symmetry and overall distance and random testing for weight, size and initial velocity, such brand fails to conform to any specification.

NOTE: Where colored cover is not specified, the ball is white.
*New ball type, not previously tested, and not tested for overall distance and symmetry.
